**ORDER OF PUBLICATION**  
In the Circuit Court of Chariton County, Missouri, at Keytesville, in vacation, to May term, 1914.

C. E. Collet, Plaintiff

vs.  
The unknown heirs, consorts, widows, devisees, donees, alienees, and immediate, mesne or remote, voluntary or involuntary grantees of each and all the following named persons to-wit: Eli Lenderman and James F. Jones, Defendants. The State of Missouri to all of the above defendants, Greeting:

On this March 20, 1914, comes the plaintiff, C. E. Collet, in vacation, and files his petition, verified by his affidavit, wherein he alleges that he is the owner and holds the legal title to the northwest quarter of the southwest quarter of section eleven (11), in township fifty-four (54), range (18), in Chariton county, Missouri.

He further alleges that he verily believes that there are persons interested in, or who claim to be interested in, said lands whose names he cannot insert in the petition, because they are unknown to him; and that the claims, titles or interests of such unknown persons and how derived, so far as known to plaintiff, are such claim, title and interest in and to said land as may have been derived to them as the heirs, consorts, widows, devisees, donees, alienees, and immediate, mesne or remote, voluntary or involuntary grantees of the said Eli Lenderman and James F. Jones, both of whom he alleges to be dead; and that the said Eli Lenderman and James F. Jones acquired their respective interests in and to said land in the following manner, to-wit:

That the said Eli Lenderman acquired title to the whole of the southwest quarter of said section eleven (11) by Patent from the United States government, dated January 4, 1819; and that the said James F. Jones acquired title to the said northwest quarter of the southwest quarter of section eleven (11) by deed from Joshua Belden, dated May 9, 1859, and recorded in book T, at page 271, of the records of the Recorder's office of Chariton county, Missouri.

Whereupon, it is ordered by the undersigned clerk in vacation, that said unknown defendants be notified by publication that plaintiff has commenced a suit against them in this court, the object and general nature of which is to have the court ascertain and determine the title, estate and interest of the parties hereto, respectively, in and to said land; and define and adjudge by its decree the title, estate and interest of the parties hereto therein; and that such judgment divest any and all of the defendants of any claim, title or interest therein; that plaintiffs title thereto be perfected, and the entire title, by said decree, be vested in plaintiff; and for such other and further relief to which plaintiff may be entitled in law or in equity.

And unless you, defendants, appear at this court to be begun and held at the city of Keytesville, Missouri, at the court house, on the third Monday in May, 1914, being May 18, and on the first day thereof answer or plead to the petition in this cause, the same will be taken as confessed, and judgment rendered accordingly.

It is further ordered that a copy hereof be printed and published in the Chariton Courier, a newspaper printed and published in Chariton county, Missouri, 4 weeks successively, and published at least once a week, the last insertion to be at least 30 days before the first day of said term of court. W. L. WRIGHT, Clerk.

**ORDER OF PUBLICATION**  
State of Missouri, County of Chariton, ss: In the Circuit Court in vacation, April 6, 1914.

Charles C. Hon, Plaintiff

vs.  
The unknown consorts, heirs, devisees, donees, alienees and grantees of William H. Patterson deceased; and John H. Phelps, deceased; the unknown consort, heirs, devisees, donees, alienees and grantees of Charles S. W. White, deceased; the unknown consort, heirs, devisees, donees, alienees, grantees and assignees of Cornelius O'Conner, deceased; The County of Chariton of the State of Missouri; John Ferguson, Ollie Ferguson, and David J. Hutchinson, Defendants.

It appearing to the Clerk of the Circuit Court in vacation from the duly verified petition filed herein that William H. Patterson and John H. Phelps appear to have acquired an interest in the real estate herein-after described as grantee in a deed of trust from Adamantine Johnson, dated November 23, 1869, and recorded in Book 3 at Page 186 in the Recorder's office of Chariton County, Missouri; that Charles S. W. White appears to have acquired an interest in the said real estate under deed from William McColum and wife, dated January 25, 1848 and recorded in Book "K", at Page 316 in said recorders office; that Cornelius O'Conner appears to have acquired an interest in said real estate under deed of trust from William J. Russell and wife, dated May 7, 1891, and recorded in Book 6 at Page 134 in said recorders office; and that said parties and their consorts are all long since deceased and no conveyance from them or their heirs can be found and that plaintiff verily believes that there are persons interested in the subject matter of the petition and in said real estate whose names are unknown to plaintiff and cannot be inserted in the petition for that reason and that said persons are the heirs, devisees, donees, alienees, and immediate, mesne or remote, voluntary or involuntary grantees and assignees of said deceased parties and their interest in said real estate, so far as plaintiff has knowledge, are such as they derive or claim to derive as the heirs, devisees, donees, alienees and immediate, mesne or remote, voluntary or involuntary grantees or assignees of said deceased parties and said unknown persons are made defendants herein; and that defendant, David J. Hutchinson, is a non-resident of the state of Missouri and the ordinary process of law cannot be served upon him in this state.

It is therefore ordered by the clerk of said court in vacation that said unknown and non-resident defendants be notified that a civil action has been commenced against them, the object and general nature of which is to try, ascertain and determine and to adjudge, settle, define and quiet the respective titles and interests of plaintiff and defendants in and to the east half of the southwest quarter and the northwest quarter of the southwest quarter of the northwest quarter of section four (4), township fifty-four (54), and range seventeen (17); also the east half of the southeast quarter of section thirty-two (32), township fifty-five (55) and range seventeen (17), and also the north half of the southwest quarter and the southeast quarter of the northwest quarter of the southeast quarter of section thirty-three (33), township fifty-five (55) and range seventeen (17), all in Chariton County, Missouri, and containing four hundred and eighty (480) acres more or less.

And unless they appear at the next term of this court to be begun and held at the city of Keytesville, on the third Monday in May, 1914, being May 18, and on the first day thereof answer or plead to the petition in this cause, the same will be taken as confessed, and judgment rendered accordingly.

"Lefty Louis" Rosenberg, one of the sentenced New York gun men says, "I am innocent of this crime but I am paying the price of a bad reputation." He advises people to get right. Character pays, says Lefty. A creature of his environment sees the right road a little late, but not too late for any "Lefty Louis" in other walks of life. The burden of his plaint is that it pays to live square. It does, and these men are good enough authority at least to say that it does not pay to live crooked.

## TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

The state health department says, "Clean up." Flies, rats and mosquitoes are on the death list. The advices say that thousands of mosquitoes can hatch in an old tin can. If that is the case, the prevalence of water this spring indicates that the crop of mosquitoes ought to be good this year and mosquito swatting proportionately fine.
